

5 Reasons to Try Duo-Link Universal™

1 Universal
For all cementation procedures* and is also ideal for CAD/CAM restorations

2 Highly radiopaque
Easily identified on radiographs for quick and effective diagnosis

3 Extremely Easy Clean-Up
Formulated for quick and easy removal of excess cement

4 Esthetic Shades
Universal shade can be used for most restorations while the **Milky White** shade can be used to mask some darker tooth preparations

5 Low Film Thickness
For complete seating of any restoration
