

Our members make the Manitoba Dental Association (MDA) strong.

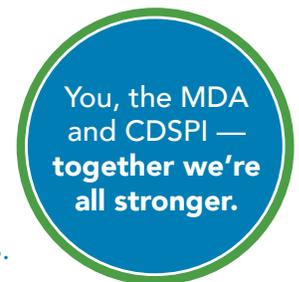

And at the MDA, we continually strive to help our members succeed in their careers and in their lives.

CDSPI is one of the significant benefits of your membership in the MDA. As a not-for-profit organization, operating under the governance of the MDA, Canadian Dental Association, and other participating provincial and territorial dental associations, CDSPI works exclusively for dental professionals.

CDSPI is guided by the simple yet powerful concept that the financial well-being of dentists comes first and that every dentist is different, with unique circumstances and priorities. Their specialized expertise is one of the hallmarks of CDSPI and it's why they prioritize the advice they provide above all else.

CDSPI has been a trusted partner for over 60 years and has stood for innovative products, outstanding service and an unfailing dedication to supporting Canadian dentists and their families.
